AXL OLIVER CUYUGAN

SOFTWARE ENGINEER

Zamboanga City, Philippines | axlcuyugan05@gmail.com | www.axlc.dev

A results-driven Software Engineer with problem-solving and a passion for self-improvement. My goal is to leverage my comprehensive skill set in design and technical implementation to contribute to innovative projects. I am on the lookout for opportunities to apply my blend of experience and enthusiasm for web development to your project, aiming to elevate user experiences and achieve strategic business objectives.

CORE OF EXPERTISE

React.js	GraphQL	Linux Administration
Node.js	CI/CD	Problem Solving

KEY ACHIEVEMENTS

- **Leadership and Mentorship**. Mentoring junior developers, and enhancing software reliability through integration testing and robust feature deployments.
- **Desktop Development and TypeScript Optimization**. Transitioned the codebase from Python to TypeScript for backend, implemented CI/CD pipelines for frontend and backend, and conducted TypeScript training to elevate team productivity and skills.

PROFESSIONAL EXPERIENCE

Platform Software Engineer, Viyahe Philippines Inc.   **March 2022 - Present**
- Create and manage services of the product from AWS (python and typescript)
- Implement coding standard
- Implemented CI/CD (AWS Codepipeline) and ensures a working pipeline for all services.
- Research different solutions to meet cost-effective & efficient service
- Support on building the desktop app with electron

DevOps Consultant, PH Live Music   **March 2025 - May 2025**
- Architected and implemented AWS infrastructure for frontend and backend systems.
- Established CI/CD pipelines to streamline deployment processes and enhance development efficiency.
- Implemented security measures, ensuring the protection of web platforms against vulnerabilities.

Consultant, MDI Novare   **May 2023 - Oct 2023**
- Conducted sessions for knowledge transfer with the client.
- Acted as a mentor and instructor for other developers in the team.
- Refactor old code and implement coding standards

EDUCATION

Bachelor of Science in Computer Science in Computer Science   **June 2014 - April 2018**
Western Mindanao State University
- Academic Distinction Award
- Dean's Lister

ADDITIONAL INFORMATION

- **Languages:** English, Tagalog
- **Certifications:** Certificate of Proficiency in Computer Programming - DICT PH (2021).
- **Awards/Activities:** Dean's Lister - Western Mindanao State University (2018)
